MEMORANDUM FOR: The Honorable Frank C. Carlucci
Deputy Secretary of Defense

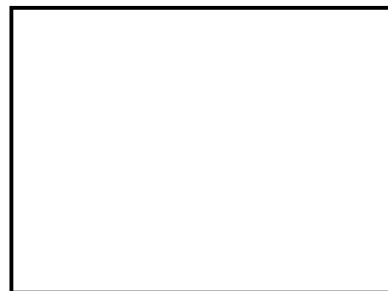

FROM: Chairman
Foreign Language Training Committee

STAT

SUBJECT: Establishment of a DCI Foreign Language
Training Committee

Frank:

On 5 March 1982, the DCI approved the establishment of a Foreign Language Training Committee to serve as the focal point in the Intelligence Community for matters dealing with the recruitment, training, and retention of personnel with appropriate foreign language expertise. The creation of this Committee was decided upon after discussions between members of the Intelligence Community Staff and Mr. Craig Wilson (O/DUSD/C³I) as your representative following your meetings with the DDCI and DCI in October and November 1981. The new Committee is now ready to begin its work, and members of the National Foreign Intelligence Community concerned are being asked to nominate their representatives to the Committee. I have been informed that Department of Defense membership would include representatives from OSD, NSA, DIA, and the four uniformed services whose nominations would be approved by you. Accordingly, I should be grateful if you could let me know those individuals whom you wish to represent DoD on this Committee.
